

I _____, am the parent or legal guardian of _____ (the "minor"), who desires to participate in various programs, events, missions trips or activities (hereinafter collectively referred to as the "Activities") operated or sponsored by The Rock Church. (hereinafter referred to as the "Church") I understand and acknowledge that the church will not allow the minor to participate in the Activities without releasing and holding the Church harmless from any liability arising out of the minor's participation in the Activities. I have investigated the risks involved in the minor's participation in the Activities and fully understand and assume such risks on his or her behalf. Specifically, I understand and acknowledge that the minor may suffer or experience, among other things, personal injury or bodily damage, medical disabilities, loss or theft of personal property, imprisonment, abduction and even death.

I request that the church allow the minor to participate in the activities, and in consideration thereof agree hereby to release and forever discharge the church, its officers and directors, and its employees, agents, and any parties volunteering on behalf of the church from all actions, causes of action, injuries, claims, damages, costs or expenses of any kind growing out of or related to any such activities in which the minor participates. I understand that this is a full and complete release of all injuries and damages which I or the minor may sustain as a result of his or her participation in any activities, regardless or the specific cause thereof.

I further acknowledge and agree that I have given my consent for the minor to remain in the custody of the church's representatives while participation in the Activities. This agreement is binding on the minors, heirs, successors, and personal representatives.

MEDICAL TREATMENT AUTHORIZATION AND POWER OF ATTORNEY

In the event the minor suffers an injury or condition during his or her participation in the Activities, including transportation to and from the Activities, which may endanger his or her life, cause disfigurement, physical impairment, or undue discomfort if medical treatment is delayed, and reasonable attempts to contact me and my spouse have been unsuccessful, I hereby appoint a Representative from the Rock Church, to make an informed decision regarding such treatment, I hereby appoint the Rock Church Representative as my agent to act for me and in my name (in any way I could act in person) to make any and all decisions for the minor concerning his or her personal care, medical treatment, hospitalization and health care. This power of attorney and delegation of authority shall terminate when the agent is first able to contact me or my spouse.
